a full service marketing
agency that specializes in
digital marketing, web
development, design, print
and promotional items.

79%

of promotional item recipients researched more about the brand after they received a branded gift

83%

of customers became more likely to do business with the brand after receiving a logoed item.

82%

of audience had a more favorable impression about the brand after receiving a custom gift.

Why branded travel items?

COVID-19 has affected the travel and tourism industry severely.

However, in a recent survey by the International Air Transport Association, nearly 60% of respondents from around the world said they're expecting to travel within two months of the end of the pandemic.

Experts expect a travel surge in 2022 as countries reopen.
